

WVSM® SINGLE UNIT KIT

500-0001-01

WVSM Kit includes

- 1 WVSM monitoring device
- 1 BP cuff (Adult size)
- 1 Nonin reusable SpO2 fingerclip
- 1 set of 3 bonded ECG leads (Red, Blk, Wht)
- 3 packages of 3 disposable ECG electrodes
- USB with Device and Accessory Software Manuals (not pictured)
- 1 WVSM Charger

The standard WVSM Kit comes complete in a box with all subsystems. WVSM is FDA cleared and tested to JCETS (MIL-STD-810).

CUSTOM MOBILE TELEMETRY SYSTEMS

Portable, modular, tactical and rescue pack. Comes with 2 WVSMs and custom tactical bag. The iPod Touch is sold separately.

500-0001-11

Fully integrated and turn-key mobile telemetry stations protect and charge up to 10 WVSMs. Lid-mounted tablet provides a central monitoring point.

500-0025-03
